

## Are you interested in becoming a REAL NAPPY ADVISER?

Real Nappy Advisers are playing a crucial role in encouraging local parents to make the switch to real nappies. They are all real nappy parents who want to provide a local or national opportunity for new parents to see, try out or buy all the modern up-to-date real nappies that are not available in High Street or supermarket retail outlets.

Some volunteer their time whilst others make a business or earn some money by investing their time with hours to fit in around their young family commitments. The contacts below are always looking for new real nappy advisers, so if you feel that this is something for you, we would welcome any time you can provide. Here are some ideas to explore. See also the '[Nappy Suppliers List](#)' available on the website, which lists all local and national suppliers.

- Nappy Display Toolkits:** Bucks Real Nappy Initiative can provide you with a free loan of a Real Nappy Toolkit to use in informal demonstrations or displays at local groups etc. subject to terms and conditions and free training (further information can be viewed on our website along with the terms and conditions and booking form). Free Nappy Information packs will also be provided to distribute. Your service will be advertised for free in the packs and on our website so local enquirers can contact you direct: [www.recycleforbuckinghamshire.co.uk](http://www.recycleforbuckinghamshire.co.uk). This is on a voluntary basis.
- Independent Nappy Supplier:** explore setting up a small company as an independent: buying in your own stock of nappies to sell/set up a nappy library service - all profits made are yours and you don't have to be restricted on the types of nappies you provide. Bucks Real Nappy Initiative can still provide you with free info packs, advertising, support and a Toolkit as well. All are currently looking for advisers at the moment. Have a look at their websites to see what they offer customers and/or give them a call to see what they offer if you became an adviser for them. The smaller independents in Bucks are:

Sarah Montequ Wizzysworld (based in Holmers Green) 01494 716389 <a href="mailto:sales@wizzysworld.com">sales@wizzysworld.com</a> <a href="http://www.wizzysworld.com">www.wizzysworld.com</a>	Rayne Vizir Bebeco (based in Maidenhead) 0845 057 9383 <a href="http://www.bebeco.co.uk">www.bebeco.co.uk</a>	Christine Cooper Cumfy Bumfy (based in Milton Keynes) 01908 660096 <a href="mailto:christine@cumfybumfy.co.uk">christine@cumfybumfy.co.uk</a> <a href="http://www.cumfybumfy.co.uk">www.cumfybumfy.co.uk</a>

**National Nappy Suppliers:** Or you could become an adviser for an established nappy supplier/retailer such as Lollipop or Little Green Earthlets. Bucks Real Nappy Initiative can still provide you with free info packs, advertising, support and a Toolkit as well. If you would like to do this contact:

Rachel Friedli Lollipop 01296 660833 <a href="mailto:rachelfriedli@mac.com">rachelfriedli@mac.com</a> <a href="http://www.teamlollipop.co.uk">www.teamlollipop.co.uk</a>	Michele Riley Little Green Earthlets (Shop and office based in Ivinghoe – Bucks) 0845 0724462 <a href="mailto:info@earthlets.co.uk">info@earthlets.co.uk</a> <a href="http://www.earthlets.co.uk">www.earthlets.co.uk</a>

However, there are currently over 80 national real nappy suppliers who welcome new real nappy advisers to work for them. So make contact with them to see what they could offer you. The advantage of using an established company is that they can offer you everything you need to get started and on-going support. Most work on a commission basis and you generally can only stock/promote the nappies on their sales list, which you might find restricting.
